Textbooks
Any questions, contact Cindy Stewart cstewart@andover.edu

The Academy currently purchases course materials in bulk for all classes. These materials—physical books, information for access to electronic resources, and course packs—will be mailed or emailed to all students at the address where they reside at the beginning of the term. Those students that are on campus will receive physical books in their dorms.

To cover the cost of the books and other course materials, the Academy will include a Course Materials Charge of $600 on the first student tuition invoice. This yearly $600 charge will be placed in a separate Course Materials Account; as appropriate, the account will also be used to cover art fees, PSATs, and Advanced Placement Exams. At the end of the course Add-Drop Period, each student’s account will be charged for all course materials for their classes.

Any book changes made after September 1 through the end of add/drop period on September 18, will trigger a new shipment of books from Follett, these books will not ship until September 20 and will take anywhere from a few days to a week to be delivered. Students whose schedules change as a result of requests made during the Add-Drop Period September 14-18, will be required to pay for return shipping of physical books to campus on or after September 20. Students should not ship any books back before September 20. Please include this return slip with the book(s). If you have any questions, email Cindy Stewart at cstewart@andover.edu.
